

FOXRUN

PROPERTY OWNERS ASSOCIATION

RESORT NEWSLETTER

WINTER 2010

A Message from Your President

Dear Foxrun Owners,

Economically the year 2009 was challenging for us all! Your Board will continue to face these challenges on behalf of your Association in 2010.

The Foxrun Board has worked hard to keep your maintenance fee increase to a minimum given the economy. However, in reality, as our Association ages gracefully, it requires refurbishment and more maintenance as does any property. The minimum increase in maintenance fees slows down the progress of refurbishment. Reserves must be fully funded in order for us to continue with refurbishment and replacement. With the guidance of our management company, VRI, we have managed to continue with much of the needed improvements to our units.

Diane Scott

We have received many positive comments from Owners whose units have been refurbished and your Board is committed to continuing this progress.

If you haven't visited your home resort recently, we invite you to come and see how your investment is working to provide you with the best possible vacation experience!

As your Board and VRI face the many challenges of 2010, please give us the opportunity to discuss with you any thoughts or concerns which you may have about your ownership as it is our goal to maximize the quality of your vacation in an efficient and cost effective manner.

We appreciate and thank you for your continued support.

Sincerely,

Diane Scott, President
FoxRun Board of Directors

As an owner, if you put your unit in the rental program, you will receive 65% of the income less any fees listed in the Rental Agreement. This is also a great opportunity to extend your stay or book additional vacations for your family and friends!

Origin of the "Rumbling Bald Resort" Name

Rumbling Bald Resort is situated at the base of Rumbling Bald Mountain. The mountain was originally called Bald Mountain, named after the sheer rock-face of the mountain. In 1874 there was a large earthquake at Bald Mountain, which in the words of the residents caused the earth to "rumble". Soon after the earthquake, the name was changed to Rumbling Bald Mountain. This majestic mountain, which can be seen from miles away, towers over the north end of Lake Lure and the Resort that bears its name.
